

## About IRSE News

Founded in 1912, the Institution of Railway Signal Engineers is designed for all those engaged or interested in Railway Signalling, Control and Communication and allied disciplines. The IRSE News magazine has been the voice of the industry for 30 years and is continuously expanding its global reach with over 5,300 members based in 54 countries.

## Geographical Profile

IRSE News offers advertisers the unique opportunity to directly target signalling and telecommunications professionals, through online and print media within bespoke and cost-effective advertising packages.
